EXPERIENCE

COMMUNICATIONS COORDINATOR

HCC Coleman College for Health Sciences | April 2007 - Present

Designed a wide variety of graphic design projects, including brochures, academic catalogs, newsletters, magazines, posters, invitations, business cards and other printed/digital materials.

Developed, shot and edited promotional videos that were showcased at various college events.

Collaborated closely with Public Relations Director and Graphic Designer to develop attractive products and to ensure materials clearly communicated the college's mission.

Organized graphic design requests and supervised Graphic Designer's work to ensure each project was completed on time and on budget

Developed presentations and mock-ups to showcase design concepts to Public Relations Director, college president and other clients and stakeholders.

Reported project status to clients on a regular basis and correct issues as needed.

Worked closely with printers and outside vendors to ensure accurate and timely delivery of final materials.
