EXPERIENCE

COMMUNICATIONS COORDINATOR

HCC Coleman College for Health Sciences | April 2007 - Present

Oversaw the development of the HCC Coleman College brand, which strengthened college's reputation with current and potential students and stakeholders within the Texas Medical Center.

Developed and designed a variety of graphic design projects, including brochures, academic catalogs, newsletters, magazines, posters, business cards and other print/digital projects.

Guided staff graphic designer through the creative process, providing guidance when needed and ensuring projects progressed on schedule, on budget and within project scope.

Responsible for ensuring all documents were accurately sized and ready for production before submitting them to the printer to ensure accurate and timely delivery of final materials.

Worked closely with faculty and staff to ensure projects met their needs and expectations while also utilizing experience to suggest new ways to solve their problems.
