EXPERIENCE

SENIOR GRAPHIC DESIGNER

University of Houston | March 2015 - Present

Developed Department of Psychological, Health and Learning Sciences' unique visual style while honoring University of Houston's brand standards.

Produced videos that showcased department's academic programs, research areas and community outreach.

Photographed departments and research areas for website and various other print/digital publications.

COMMUNICATIONS COORDINATOR

HCC Coleman College for Health Sciences | April 2007 - Feb 2015

Developed the HCC Coleman College brand, which strengthened college's reputation with current/potential students and stakeholders within the Texas Medical Center.

Developed and designed brochures, academic catalogs, newsletters, magazines, posters, business cards and other print/digital projects.

Guided staff graphic designer through creative process, ensuring projects progressed on schedule, on budget and within project scope.

Worked closely with faculty and staff to ensure projects met their needs and expectations while utilizing experience to suggest new ways to solve their problems.
