EXPERIENCE

COMMUNICATIONS COORDINATOR

HCC Coleman College for Health Sciences | April 2007 - Present

Developed the HCC Coleman College, which strengthened college's reputation with current and potential students and stakeholders within the Texas Medical Center.

Designed a wide variety of graphic design projects, including brochures, academic catalogs, newsletters, magazines, posters, invitations, business cards and other printed/digital materials.

Collaborated with staff Graphic Designer to develop logos for programs and services within HCC Coleman College and Houston Community College.

Worked closely with faculty and staff to ensure projects met their needs and expectations while also utilizing experience to suggest new ways to solve their problems.

Organized graphic design requests and supervised Graphic Designer's work to ensure each project was completed on time and on budget .

Worked closely with printers and outside vendors to ensure accurate and timely delivery of final materials.
